Most Service Manuals are printed in loose leaf form. Order Commercial Products 2" Ring binder, Part No. **89742SL**, separately (Suggested Retail \$6.00).

**NOTE:** We try to keep our parts inventory of printed Service Manuals as up to date as possible, however some Manuals may have been revised since their last printing. The latest revision of Service Manuals for current production machines are available on [www.toro.com](http://www.toro.com) under Education and Technical Reference. You can print out revised pages from [www.toro.com](http://www.toro.com) to keep your paper manuals up to date. The latest revision of all Manuals are also published each year on the Service Reference CD-ROM.
