**Customer Golf
Service Education Information
October 27 - 29, 2009
March 9 - 11, 2010
March 16 - 18, 2010**

Program cost will be \$900 per person. This includes three nights lodging, a Monday evening reception, breakfasts, lunch each day and dinner Tuesday and Wednesday. Also included are all program materials, transportation from the hotel and Toro. Transportation to Minneapolis, any additional nights lodging, other meals or incidentals will be the participant's responsibility. Billing will be through the distributorship. Any additions or deletions to these program outlines will be posted on www.toro.com under the Golf Course Management or Sports Fields and Grounds, Customer Care, Education and Technical Reference.

Changes to the 2009/2010 training programs include an increased focus on the practical application of the skills taught. Each of these programs will include in-shop, hands-on exercises, allowing the participants the opportunity to put into practice the skills and procedures discussed during the session. This will allow the participant to experience the procedures, techniques, and tools used, fully reinforcing the presented information.
