Workman® MD Series Accessories

Attachment Options

Rahn® Groomer | Allied

- The Rahn GL650 Infield Groomer levels uneven playing fields, helping to prevent ridge build up while creating a safer, more consistent infield
- The triple row broom is perfect for finishing the playing surface and can be stored upright for easy transport
- Works as an efficient dethatching tool and prepares outfield grass for overseeding
- Scarifier and Spring tine options
- The 2-way leveling system provides both a lock and float position to match infield conditions

Rahn® Artificial Turf Conditioner | 08791

- Stainless spring steel brushes loosen the infill from compacted fields
- Evenly redistributes and levels the playing surface for increased playability and safety

Snow Plow | 07327

- Recommended for use with MD & MDX
- 72" Blade, 5-position manual angle adjust, optimal rubber cutting edge
- Model listed by Toro for order convenience. Warranty, parts and service covered by:
Curtis Cab, 800-343-7676
