

TORO Count on it.

4800 Turf Sweeper

The quick and easy way to pick up leaves, sticks, and other debris.

COMFORTABLE AND SAFE TO OPERATE Self-propelled and ergonomically designed, the 4800 Turf Sweeper makes cleanup of the biggest spring and fall jobs a breeze. It features a convenient, hand-operated rear-drum brake system and safety interlocks, requiring the operator to be in position before engaging.

MORE POWER TO YOU The 4800 Turf Sweeper is powered by a CARB Certified, Kohler® Command™ 18 hp engine, which runs cooler, quieter, and more efficiently for longer life. Its 48" sweeping width and 1.25 cubic yards of hopper capacity helps you get the job done faster. And because the 4800 Turf Sweeper is from Toro, you are assured years of performance and productivity when it comes to debris management.

4800 Turf Sweeper

Engine	18 hp, twin cylinder, Kohler Command, EPA & CARB Certified.
Air Cleaner	Standard: A Kohler 2-stage system with rotating screen (pre-cleaner).
