ATTACHMENTS & ACCESSORIES

LARGE CAPACITY TWIN BAGGER

8 cubic ft., non-powered twin bagger cleans up grass clippings, leaves and other debris to give your lawn a crisp, clean look.

RECYCLER® MULCH KIT

Optional Recycler system cuts and re-cuts grass clippings into fine particles.

HEADLIGHT KIT

Gives homeowners the option to mow their grass in low-light conditions.

SUNSHADE

Helps protect your skin and eyes from the harsh summer sun.

HITCH KIT

Tow a cart or other light-duty attachments with this easy-to-use kit.

DELUXE Z COVER

Protect your Z mower with a convenient, durable cover.

STEP KIT

Adding a step makes it even easier to step on and off your TITAN Z.

STRIPING KIT

Easily add a striping kit to the cutting deck and give your lawn a professional striped look.

LEAF BAGGING ENHANCEMENT KIT

Decreases leaf blowout on the deck when bagging leaves and increases bagging performance. Twin bagging attachment needed.

*This engine was manufactured and laboratory rated by the engine manufacturer in accordance with SAE J1940. As configured to meet safety, emission, and operating requirements, the actual horsepower on this class of mower will be significantly lower.
