FEATURES

ELECTRIC START
Simply turn the key and mow!

HIGH WHEEL
For tackling uneven terrain.

READY START™
No need to choke or prime the engine, just start the mower and go!

BLADE OVERRIDE SYSTEM
The blade override system stops the blade not the engine.

"QUICK WASH" WASHOUT PORT
Available on all Recycler mowers, this feature allows you to attach a hose to the mower deck to easily clean the under side of the deck.

NEW! POWERTRAIN WARRANTY**
It covers the engine and transmission for 3 years.

*The gross torque of this engine was laboratory rated by the engine manufacturer in accordance with SAE J1940. As configured to meet safety, emission, and operating requirements, the actual engine torque on this class of mower will be significantly lower.
**See retailer or toro.com for warranty details.

THE ALL NEW RECYCLER®

**WE'VE
MADE A
GREAT
MOWER
EVEN
BETTER**

Personal Pace®

The simplest self-propel system you can buy.

Single Piece Handle

No more cross bar to get in the way when taking the bag on and off.

Improved Bagging Performance

25% better bag fill so you empty the bag less often.

Bag on Demand

Switch from mulching to bagging with the touch of a lever.

GTS® Engine Promise

Starts on one or two pulls up to three years or we'll fix it for free!**

Improved Maneuverability

Front wheels are recessed so you can cut 25% closer to objects.
