## Installation Instructions

### ⚠ WARNING

#### CALIFORNIA Proposition 65 Warning

This product contains a chemical or chemicals known to the State of California to cause cancer, birth defects, or reproductive harm.

Install the wire harness kit to the 2-post ROPS extension when you need to provide power to electrical accessories.

## Preparing the Machine

1. Move the machine to a level surface.
2. Set the parking brake, shut off the engine, and wait for all moving parts to stop before you leave the machine.
3. Remove the key from the ignition switch.
4. Ensure that the machine is secure from movement before you begin the installation.
5. Disconnect the negative (–) cable from the battery.
