Parts Catalog

TimeCutter® SW 5000

Riding Mower

Model No. 74790—Serial No. 400000000 and Up

Ordering Replacement Parts

To order replacement parts, please supply the part number, the quantity, and the description of each part desired.

Understanding Reference Numbers

Each identified part in an illustration has a reference number. The reference number for a part also appears in the parts list, along with other information about the part.

This catalog uses two special reference number formats, one to indicate parts in a service assembly and another to indicate the quantity of a given part in an illustration.

Service Assembly Reference Numbers

Parts in service assemblies have reference numbers in the form a:b. The a represents the reference number of the entire service assembly and the b represents a sequential number unique to each part within the service assembly.

For example, a wheel assembly might be identified by reference number 6, the tire by 6:1, the valve by 6:2, and the wheel by 6:3. When you order the assembly identified by reference number 6, you receive all parts identified by reference numbers 6:1, 6:2, and 6:3. However, you may also order any part individually. Reference numbers of this type appear in illustration and in parts lists.

Reference Numbers Indicating Quantity

In an illustration, if a reference number indicates more than one part, the reference number has the form nX y. The n represents the quantity of the part, the X is the multiplication symbol, and the y represents the reference number.

For example, in an illustration, the reference number 2X 37 means that two of the parts identified by reference number 37 are indicated.

Contents

Frame Assembly	4
Deck Lift Assembly	6
Caster Wheel Assembly	8
Traction Drive Assembly	10
Left Hand Hydro Transaxle Assembly No. 119-3350	12

This technical drawing is an exploded view of a mechanical assembly, likely a pump or engine component. It shows the following parts and their assembly relationships:

- Part 1:** The main housing or base plate.
- Part 2:** A large, flat rectangular plate that fits onto the main housing.
- Part 3:** A small rectangular plate that fits into a slot on the main housing.
- Part 4:** A larger rectangular plate with mounting holes, positioned above part 3.
- Part 5:** A small rectangular plate that fits into a slot on part 4.
- Part 6:** A small rectangular plate that fits into a slot on part 4.
- Part 7:** A small rectangular plate that fits into a slot on the main housing.
- Part 8:** A small rectangular plate that fits into a slot on the main housing.
- Part 9:** A curved, flexible component, possibly a diaphragm or seal, that fits into a groove on the main housing.
- Part 10:** A small rectangular plate that fits into a slot on part 4.
- Part 11:** A small rectangular plate that fits into a slot on part 4.
- Part 12:** A small rectangular plate that fits into a slot on the main housing.
- Part 13:** A small rectangular plate that fits into a slot on the main housing.
- Part 14:** A long, thin rod or pin that passes through several components.
- Part 15:** A small rectangular plate that fits into a slot on part 4.
- Part 16:** A small rectangular plate that fits into a slot on part 4.
- Part 17:** A small rectangular plate that fits into a slot on the main housing.
- Part 18:** A small rectangular plate that fits into a slot on the main housing.
- Part 19:** A small rectangular plate that fits into a slot on the main housing.
- Part 20:** A small rectangular plate that fits into a slot on the main housing.
- Part 21:** A small rectangular plate that fits into a slot on the main housing.
- Part 22:** A small rectangular plate that fits into a slot on the main housing.
- Part 23:** A small rectangular plate that fits into a slot on the main housing.
- Part 24:** A small rectangular plate that fits into a slot on the main housing.
- Part 25:** A curved, flexible component, possibly a diaphragm or seal, that fits into a groove on the main housing.
- Part 26:** A small rectangular plate that fits into a slot on the main housing.
- Part 27:** A small rectangular plate that fits into a slot on the main housing.
- Part 28:** A small rectangular plate that fits into a slot on the main housing.
- Part 29:** A small rectangular plate that fits into a slot on the main housing.
- Part 30:** A small rectangular plate that fits into a slot on the main housing.
