TORO®

PART NO. 99–4400

INSTALLATION INSTRUCTIONS AND LICENSE AGREEMENT

SOFTWARE DISK
(For TORO ACE System)

THIS DISK INCLUDES THE FOLLOWING FILES:

TOROPC.EXE

(PART_NUMBER).TC

CONFIG.SYS

AUTOEXEC.BAT

README

This copyrighted software is for use on an IBM compatible PC and for use with the Toro ACE system ECU. It is to be used by a trained technician only. Loading and/or using this software indicated your acceptance of the terms of the Software License Agreement stated below.

BEFORE USING THIS DISK, MAKE A BACKUP COPY! See the TOROPC user's manual for instructions on making a copy, or refer to your PC manuals, if you need instructions. USE THE BACKUP COPY, NOT THE ORIGINAL, FOR EVERYDAY USE. Save this disk in case of trouble with the copy.

TO USE THE SOFTWARE ON THIS DISK

Insert the disk into the disk drive on your PC. Change the default drive to the drive where the disk is, for example "a:" and press Enter or Return. Type "TOROPC" and press Enter or Return. Follow the instructions from the program.

EXPLANATION OF THE FILES ON THIS DISK

The files TOROPC.EXE is required to allow the program TOROPC to run.

The files (part_number).tc each contain the needed information to allow the program TOROPC to load the machine application program into the Toro ACE system ECU or TurfDefender. Also provides information to aid in diagnosing machine problems, should they occur. When entering the program TOROPC, the user must select the machine on which he will be working, by typing in the model and serial number.

The file config.sys contains an example of information which is required by the PC to configure itself when it boots. This file should be edited per the instructions in the TOROPC users manual.

The file autoexec.bat also contains some information which helps the PC understand how to configure itself when it boots. This file should be edited per the instructions in the TOROPC users manual.

The file readme contains specific information about the other files on the disk. It may be read by typing "type Readme | more" and pressing Enter or Return.

SOFTWARE LICENSE AGREEMENT

1. This software is the proprietary product of The Toro Company and is protected by U.S. and international copyright laws.

2. You may make one (1) backup copy, only, as noted above.

3. You can use the software only in conjunction with the TORO ACE System ECU or TurfDefender.

4. You may not sublicense, rent or lease the software.

5. Any decompilation, or modification of the software, not expressly authorized by Toro, is unauthorized.
