Model No. 02982

Model No. 02991

Installation Instructions

Installing the Covers

1. Park the machine on a level surface and engage the parking brake.
2. Raise the side cutting units.
3. Shut off the engine and remove the key.

⚠ WARNING

If you leave the key in the ignition switch, someone could accidentally start the machine and seriously injure you or other bystanders.

Remove the key from the ignition switch before you do any maintenance.

4. Lock the cutting units in the raised position using the transport latches.
5. Fit a cover over the right cutting unit and a cover over the left cutting unit, and secure the covers with the straps provided ([Figure 1](#)).

Important: Remove the covers before lowering the side cutting units.
