

Rear Attach-A-Matic (For Garden Tractor)

Part No. 100-3390

Parts Catalog

Ordering Replacement Parts

To order replacement parts, please supply: the part number, the quantity, and the description of each part desired.

Understanding Reference Numbers

Each identified part in an illustration has a reference number. The reference number for a part also appears in the parts list, along with other information about the part.

This catalog uses two special reference number formats, one to indicate parts in a service assembly and another to indicate the quantity of a given part in an illustration.

Service Assembly Reference Numbers

Parts in service assemblies have reference numbers in the form **a:b**. The **a** represents the reference number of the entire service assembly and the **b** represents a sequential number unique to each part within the service assembly.

For example, a wheel assembly might be identified by reference number **6**, the tire by **6:1**, the valve by **6:2**, and the wheel by **6:3**. When you order the assembly identified by reference number **6**, you receive all parts identified by reference numbers **6:1**, **6:2**, and **6:3**. However, you may also order any part individually.

Reference numbers of this type appear in illustrations and in part lists.

Reference Numbers Indicating Quantity

In an illustration, if a reference number indicates more than one part, the reference number has the form **nX y**. The **n** represents the quantity of the part, the **X** is the multiplication symbol, and the **y** represents the reference number.

For example, in an illustration, the reference number **2X 37** means that two of the parts identified by reference number **37** are indicated.

Sheet No.:1

Ref. No.	Part No.	Qty.	Description
1	100-3384-03	1	ASM-Mounting Bracket
2	3697	2	Link Rear Mtg Brk
3	32153-2	4	3/8-16 Locknut
4	105316	1	Cap-Plunger Rod
5	100-3383	1	Block-Latching
6	3256-24	1	Washer-Flat
7	8616	1	Spring
8	3231-11	4	Screw-CARR
9	94-7926	1	Rod - Hitch Latch
10	105797	3	E-ring 3/8 Shaft
