MODEL NO. 51522

INSTALLATION INSTRUCTIONS

We suggest that you keep this material with your Operator's Manual so that both may be referred to for instructions concerning safe operation and proper maintenance procedures.

CAUTION

POTENTIAL HAZARD

- Debris can be thrown by blower vac.

WHAT CAN HAPPEN

- Flying debris could cause injury.

HOW TO AVOID THE HAZARD

- Never run vacuum without vacuum bag attached.
- Always make sure bag zipper is closed when unit is in use.

WARNING

POTENTIAL HAZARD

- Under normal usage, the bag material is subject to deterioration and wear.

WHAT CAN HAPPEN

- Small objects could pass through a worn or damaged bag and be thrown in direction of operator or bystanders.

HOW TO AVOID THE HAZARD

- Check bag frequently for wear or deterioration. If bag is defective, replace it with a genuine TORO part.

1. Fit opening of bag over outlet on blower. Pull strap tightly to overlap Velcro™ tabs and secure (Fig. 1).
