PRODUCT CHANGES

In an effort to make improvements available to Toro owners as quickly as possible, minor changes are incorporated into Toro's products from time to time that do not become immediately shown in the Parts Catalog. If such a change apparently has been made in your unit, which is not reflected in your manual, see your Toro distributor or his authorized Toro service dealer for information and part numbers.

IMPORTANT ORDERING INSTRUCTIONS

Repair parts are available from your TORO dealer. To insure getting correct parts without delay, please furnish the following information:

- 1. Serial number of your product as shown on the name plate.
- 2. Part number, description and quantity of each part required.
- 3. Name and address where parts are to be shipped
- 4. Do NOT order by reference number, use part number only.
