

The Toro Warranty and The Toro GTS Starting Guarantee

Residential Products (Intl)

Summary Description

The Toro Company promises to repair the Toro Product below if it is defective in materials or workmanship or if the engine does not start on the first or second pull (GTS Starting Guarantee), for the period listed below.

The warranty applies only if you perform the routine maintenance specified in the *Operator's Manual*.

The GTS Starting Guarantee does not apply when the product is used commercially.

Toro makes no other express warranty. The engine manufacturer may provide its own engine warranty and special emission system warranty. If applicable, the documentation will be provided with your product.

Owner Responsibilities

You must maintain your Toro Product by following the maintenance procedures described in the *Operator's Manual*. Such routine maintenance, whether performed by a dealer or by you, is at your expense. Parts scheduled for replacement as required maintenance ("Maintenance Parts"), are warranted for the period of time up to the scheduled replacement time for that part. Failure to perform required maintenance and adjustments can be grounds for disallowing a warranty claim.

Items and Conditions Not Covered

Not all product failures or malfunctions that occur during the warranty period are defects in materials or workmanship. This express warranty does not cover the following:

- Cost of regular maintenance or parts, such as fuel, lubricants, oil changes, cable/linkage adjustments, filters, spark plugs, air filters, blade sharpening or worn blades, or brake and clutch adjustments
- Components failing due to normal wear
- Any product or part that has been altered, misused, neglected, requires replacement or repair due to accidents or lack of proper maintenance
- Pickup and delivery charges
- Repairs or attempted repairs by anyone other than an Authorized Toro Service Center
- Failure to follow the fueling instructions and requirements (consult the *Operator's Manual* for details), such as:
 - Use of old fuel (more than 1 month old) or fuel which contains more than 10% ethanol or more than 15% MTBE
 - Failure to drain the fuel system prior to any period of non-use over 1 month
 - Improper fuel
- Repairs or adjustments due to the following:
 - Contaminants in the fuel system
 - Failure to perform the required maintenance and/or adjustments
 - Rotary mower blade striking an object
 - Improper starting procedures
- Special operational conditions where starting may require more than 2 pulls:
 - First-time starts after extended period of non-use over 3 months or seasonal storage
 - Cool temperature starts such as those found in early spring or late autumn
- Product failures resulting from the use of modified or unapproved accessories or non-Toro parts.
- Failures caused by outside influence, including, but not limited to, weather; storage practices; contamination; or the use of unapproved coolants, lubricants, additives, or chemicals

General Conditions

The purchaser is covered by the national laws of each country. The rights to which the purchaser is entitled with the support of these laws are not restricted by this warranty.

Countries Other than the United States or Canada

Customers who have purchased Toro products outside the United States or Canada should contact their Toro Authorized Service Center to obtain warranty policies for your country, province, or state. For additional questions regarding warranty terms and conditions, you may contact The Toro Company.

Australian Consumer Law

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
