Parts Catalog

30in TurfMaster HDX Walk-Behind Lawn Mower

Model No. 22215—Serial No. 400000000 and Up

Ordering Replacement Parts

To order replacement parts, please supply the part number, the quantity, and the description of each part desired.

Understanding Reference Numbers

Each identified part in an illustration has a reference number. The reference number for a part also appears in the parts list, along with other information about the part.

This catalog uses two special reference number formats, one to indicate parts in a service assembly and another to indicate the quantity of a given part in an illustration.

Service Assembly Reference Numbers

Parts in service assemblies have reference numbers in the form a:b. The a represents the reference number of the entire service assembly and the b represents a sequential number unique to each part within the service assembly.

For example, a wheel assembly might be identified by reference number 6, the tire by 6:1, the valve by 6:2, and the wheel by 6:3. When you order the assembly identified by reference number 6, you receive all parts identified by reference numbers 6:1, 6:2, and 6:3. However, you may also order any part individually. Reference numbers of this type appear in illustration and in parts lists.

Reference Numbers Indicating Quantity

In an illustration, if a reference number indicates more than one part, the reference number has the form nX y. The n represents the quantity of the part, the X is the multiplication symbol, and the y represents the reference number.

For example, in an illustration, the reference number 2X 37 means that two of the parts identified by reference number 37 are indicated.

■ Obtain parts from www.kawpower.com

This exploded view diagram illustrates the assembly of a Toro Turfmaster HDX riding lawn mower chassis. The components are labeled with numbers 1 through 26, indicating their positions relative to the main frame. Key parts include the front and rear wheels (5 and 6), the main chassis frame (7), the engine compartment cover (20) with the 'TORO' logo, and the rear deck (21). The diagram shows the relationship between the wheels, the chassis, the engine cover, and the rear deck, with various bolts, nuts, and pins (1, 2, 3, 4, 6:2, 6:3, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 22, 23, 24, 25, 26) used for assembly. The 'TURFMASTER HDX' branding is visible on the side of the chassis frame.
