

## 48cm Recycler<sup>®</sup> / Rear Bagging Mower

Model No. 20814–210000001 and Up

Model No. 20818–210000001 and Up

### Parts Catalog

---

#### Ordering Replacement Parts

To order replacement parts, please supply: the part number, the quantity, and the description of each part desired.

#### Understanding Reference Numbers

Each identified part in an illustration has a reference number. The reference number for a part also appears in the parts list, along with other information about the part.

This catalog uses two special reference number formats, one to indicate parts in a service assembly and another to indicate the quantity of a given part in an illustration.

#### Service Assembly Reference Numbers

Parts in service assemblies have reference numbers in the form **a:b**. The **a** represents the reference number of the entire service assembly and the **b** represents a sequential number unique to each part within the service assembly.

For example, a wheel assembly might be identified by reference number **6**, the tire by **6:1**, the valve by **6:2**, and the wheel by **6:3**. When you order the assembly identified by reference number **6**, you receive all parts identified by reference numbers **6:1**, **6:2**, and **6:3**. However, you may also order any part individually.

Reference numbers of this type appear in illustrations and in part lists.

#### Reference Numbers Indicating Quantity

In an illustration, if a reference number indicates more than one part, the reference number has the form **nX y**. The **n** represents the quantity of the part, the **X** is the multiplication symbol, and the **y** represents the reference number.

For example, in an illustration, the reference number **2X 37** means that two of the parts identified by reference number **37** are indicated.

This exploded view diagram illustrates the assembly of a portable toilet. The components are identified by the following numbers:

- 1**: A vertical pin or screw used to secure the top cover.
- 2**: The main top cover of the unit.
- 3**: A side panel or door assembly.
- 4**: A horizontal pin or screw used to attach the side panel.
- 5**: A small circular cap or plug.
- 6**: A large circular flange or seal at the base of the toilet bowl.
- 7**: The toilet bowl assembly, shown in a dashed position to indicate its placement within the main body.
- 8**: A handle or latch mechanism on the side panel.
- 9**: A small circular component, possibly a vent or cap.
- 10**: A small circular component, possibly a vent or cap.
- 11**: A small circular component, possibly a vent or cap.
- 12**: A small circular component, possibly a vent or cap.
- 13**: A small circular component, possibly a vent or cap.
- 14**: A small circular component, possibly a vent or cap.
- 15**: A small circular component, possibly a vent or cap.
- 16**: A long vertical pin or screw used to secure the base of the unit.
- 17**: A rectangular label with the brand name "TOTO" printed on it.
- 18**: A rectangular top cover or lid.
- 19**: A small circular component, possibly a vent or cap.
