

PARTS CATALOG

This diagram illustrates the assembly of a vehicle chassis. Component 1 is the main chassis frame. Component 2 is a small bracket or pin. Component 3 is a larger bracket or support. Component 4 is a long, narrow component, likely a side rail or bumper, which is shown being attached to the chassis frame (1) using the brackets (2 and 3).

Ref. No.	Part No.	Description	No. Used
3	3234-5	Screw-HHF	8
4	99-5156	Baffle-Front, LH	1
