PRODUCT CHANGES

In an effort to make improvements available to TORO owners as quickly as possible minor changes are incorporated into Toro's products from time to time that do not become immediately shown in the Parts Catalog. If such a change has been made in your unit which is not reflected in your manual see your TORO Distributor or an Authorized Service Dealer for information and part numbers.

IDENTIFICATION & ORDERING

MODEL AND NUMBERS

The Turf Sweeper 1655 has two identification numbers; a model number and a serial number. The two numbers are stamped on a plate which is located on the control base. In any correspondence concerning the 1655 supply model and serial numbers to assure that correct information and

replacement parts are obtained.

To order replacement parts from your TORO Distributor or an Authorized Service Dealer, supply the following information:

1. Model and serial number of the 1655.
2. Part number description and the quantity of part (s) desired.
