PRODUCT CHANGES

In an effort to make improvements available to TORO owners as quickly as possible, minor changes are incorporated into Toro's Products from time to time that do not become immediately shown in the Parts Catalog. If such a change has been made in your unit which is not reflected in your manual, see your TORO distributor or his Authorized TORO Service Dealer for information and part numbers.

IDENTIFICATION AND ORDERING

MODEL AND SERIAL NUMBERS:

The Multi Pro® 1250 Vehicle has two identification numbers; a model number and a serial number. The two numbers are printed on a decal which is located below the dash on the upright frame member on the right side of the vehicle. In any correspondence concerning the unit, supply the model number and the serial numbers to ensure correct information and replacement parts are obtained.

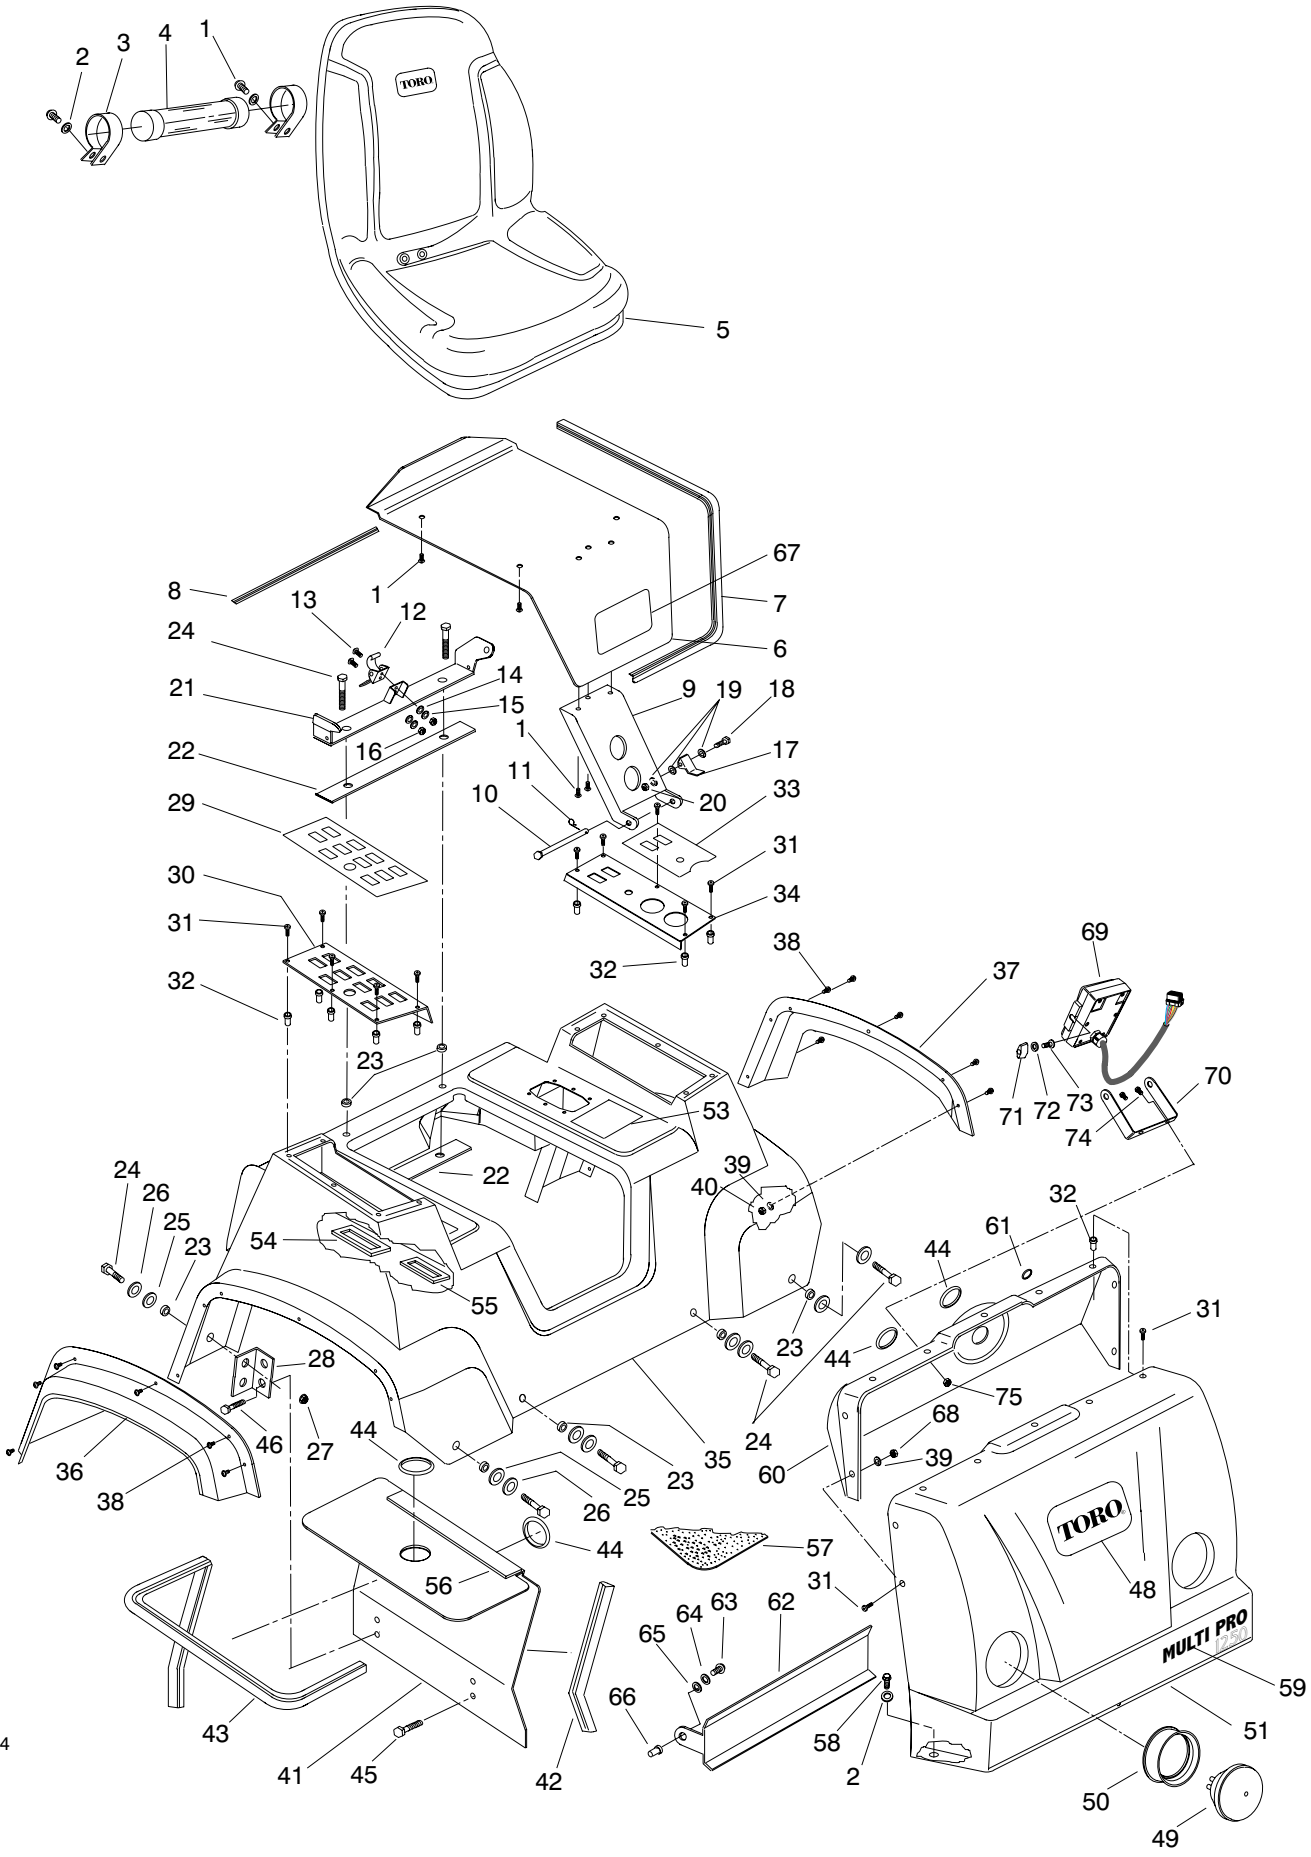

To order replacement parts from an Authorized TORO Service Dealer, supply the following information:
1. Model and serial number of your Vehicle.
2. Part number, description, and the quantity of part(s) desired.

NOTE: Do not order by reference number if a parts catalog is being used; Use the PART NUMBER.
