### Multi Pro<sup>®</sup>, Workman<sup>®</sup> and Hahn Sprayers with Cast Iron Centrifugal Pumps

<b><u>Model/Serial Range:</u></b>	<b><u>Model Number:</u></b>	<b><u>Serial Numbers:</u></b>
	ALL	00000-99999

**Subject: Heavy Duty Centrifugal Pump Seals.**

Some application products and combinations of products used in the spray system can adversely effect Centrifugal Pump Seals resulting in premature seal failure.

To assist our customers, optional Heavy Duty Seals are now available for Hypro<sup>®</sup> and Memphis Centrifugal Pumps with cast-iron housings.

**IMPORTANT:** To maximize the efficiency of any spray system, always follow proper operation, guidelines. Correct filling and cleaning procedures will maximize equipment durability and performance.

The following seals are currently available through your local Toro Distributor.

**Hypro<sup>®</sup>**, Heavy Duty Seal Kit 99-0581,  
(contains Seal 99-0582 & O-Ring 42089)

**Memphis**, Heavy Duty Seal 41740.  
O-Ring (92-0018) not included with Memphis Heavy Duty Seal.

A Poly Impeller identifies **Hypro** Pumps 41776, 93-0848 and 93-6505.

A Cast-iron Impeller identifies **Memphis** Pumps 99226 and 97802.

**NOTE:** When replacing a Pump Seal it is recommended to replace the O-Ring and Bearings.
