

PART NO. 93—3242

INSTALLATION INSTRUCTIONS

REPLACEMENT BAG for 37" BAGGER

LOOSE PARTS

Description	Qty	Where Used
Bag	1	Install on Discharge Duct
Clamp	1	

INSTALL GRASS BAG

- Slide the grass bag over the discharge duct so the elastic band is past the two (2) ribs (Fig. 1).
- Align the grass bag so the loop and the duct retainer are up, in line (Fig. 1).
- Place the clamp over the grass bag between the two (2) ribs of the discharge duct (Fig. 1).
- Tighten the clamp securely.
