Installation

1. Install the log-grapple attachment on the machine; refer to the *Operator's Manual* for the machine.
2. If the tow hitch is installed, remove it from the log grapple.
3. Position the clamshells on a level surface with enough space behind them to accommodate the machine.
4. Open the grapple and align a tine with a clamshell.
5. Hook the tine at the bottom of the clamshell and secure it with a snapper pin.
6. Repeat steps 4 and 5 for the other clamshell.
