Heated Grips Kit

Power Max® Heavy Duty Snowthrower

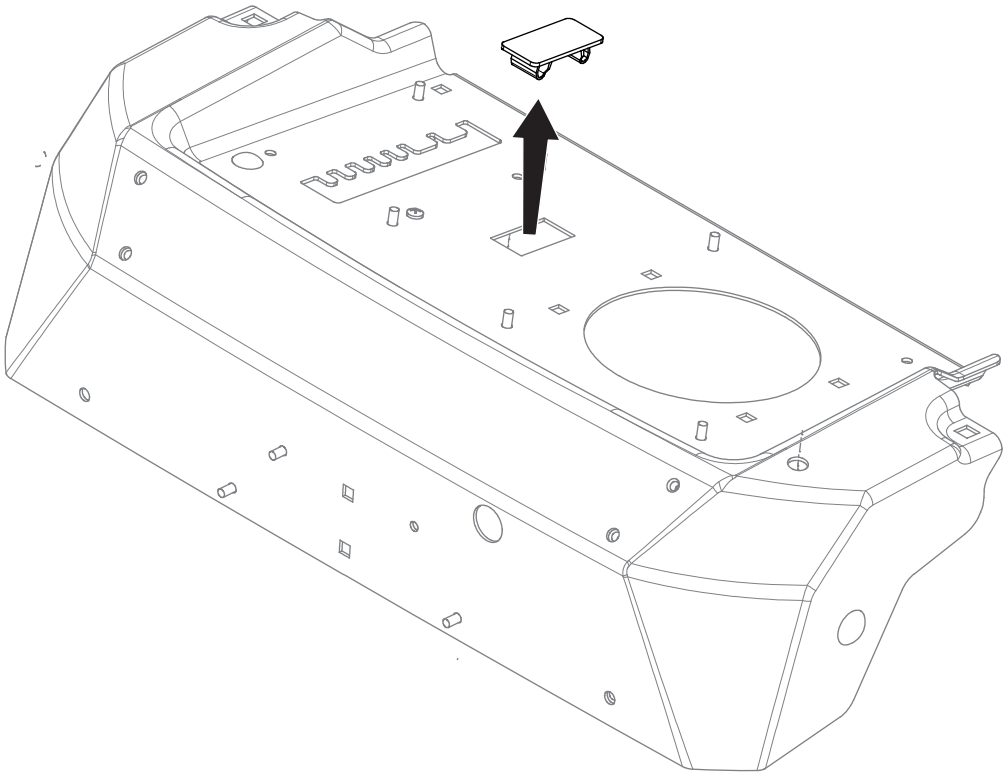

Model No. 164-4824

Installation Instructions

Installation

Preparing the Machine

1. Move the machine to a level surface, shut off the engine, remove the key, wait for all movement to stop, and allow the machine to cool.
2. Remove the switch plug from the control panel.

G604615

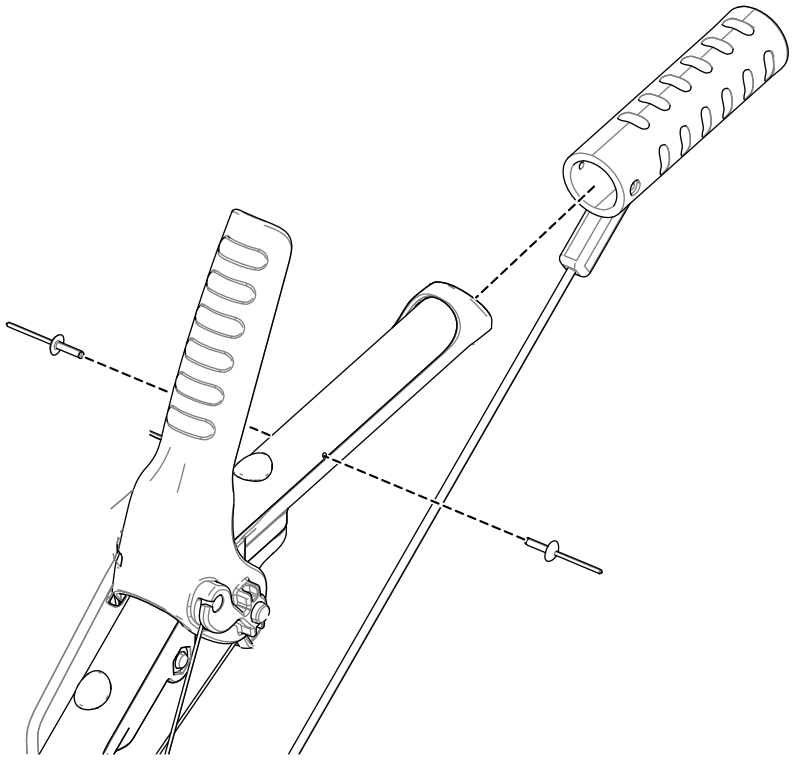

Installing the Heated Grips and Switch

1. Apply the adhesive to the inside of the heated grips.
2. Install the grips to the handles, lining up the holes in the grips with the holes in the handles. Secure the grip to the handles with the rivets.
