

Curved Shaft String Trimmer

Model No. 51930B—240000001 & Up

Parts Catalog

Ordering Replacement Parts

To order replacement parts, please supply: the part number, the quantity, and the description of each part.

Understanding Reference Numbers

Each identified part in an illustration has a reference number. The reference number for a part also appears in the list, along with other information about the part.

Understanding Figure Numbers

This catalog uses two special reference number formats, one to indicate parts in a service assembly and another to indicate a Figure Number.

Figure Numbers are represented as a Sub-Assembly which follow the exploded views.

Sub-Assemblies can be ordered as an Assembly or you may order any part individually.

TORO STRING TRIMMER – MODEL NUMBER 51930B

FIGURE A

KEY PART NO. NUMBER	DESCRIPTION	QTY.
1 985569001	CURVED SHAFT ASSEMBLY	1
