

Bahiagrass Kit

Groundsmaster® 7200/7210 62"/72" Guardian Decks

Part No. 105-7269

Form No. 3356-129 Rev. A

Installation Instructions

1. Locate the mounting holes in the front corners of the deck.
2. Mount the appropriate (left or right) Bahia plate to the deck with (2) carriage bolts and flange nuts (Fig. 1). Position the nuts to the outside.

Note: The skids may be removed or loosened to gain additional access when securing the outer fasteners.

Note: The illustration is shown from the bottom.
