PARTS MANUAL

LAZER Z[®] XS

CONGRATULATIONS on the purchase of your new Exmark mower. This product has been carefully designed and manufactured to give you a maximum amount of dependability and years of trouble-free operation. If additional information is needed, or should you require trained mechanic service, contact your authorized Exmark equipment dealer or distributor. If you need to order replacement parts from your dealer, always give the model number and serial number of your mower as well as the part number, description and quantity of the part needed.

The Serial No. plate is located on the right side of the console. For ease of ordering and reference, we suggest that you record the information requested in the following identification table.

Place Model No. and Serial No. Label Here
(Included in Literature Pack)
or Fill in Below

Engine Model No. and Spec. No. (Code) _____

Engine Serial No. (E/No) _____

Date Purchased _____

EXMARK PARTS PLUS® PROGRAM

EFFECTIVE DATE: September 1, 1995

Program

If your Exmark dealer does not have the Exmark part in stock, Exmark will get the parts to the dealer the next business day or the part will be FREE* Guaranteed!!

How the Program Works

1. If dealer does not have part in stock for a "down" unit at the time of request by customer, the dealer contacts his distributor by 1:00 p.m., local time, and requests Exmark Parts Plus® shipment of six (6) line items or less.
2. Distributor ships part(s) to dealer or customer, as requested by dealer, same day, overnight UPS. Distributor bills dealer for part and freight charges where applicable.
3. If distributor does not have the part(s) in stock to satisfy Exmark Parts Plus® order, he contacts Exmark by 3:00p.m., central time, with an Exmark Parts Plus® order of six (6) line items or less.
4. If order is received by 3:00 p.m. central time, Exmark ships part(s) direct to dealer or customer, as requested by distributor, same day, overnight UPS. Exmark bills the distributor for parts and shipping charges, where applicable.
5. The customer pays for the part and freight if it is shipped under the Exmark Parts Plus® and if it arrives in accordance to the program.
6. Who pays for the part and freight if it fails to arrive overnight in accordance to the program?
 - A. Under any circumstance the customer does not pay.
 - B. If the part does not arrive overnight due to:
 1. The dealer not submitting the Exmark Parts Plus® order to his Exmark distributor by 1:00 p.m., the dealer pays for the part and freight.
 2. The Distributor being unable to ship the part the same day or not submitting the Exmark Parts Plus® order to Exmark by 3:00 p.m., central time, the Distributor pays for the part and freight.
 3. Exmark being unable to ship the part and the Exmark parts order is received by 3:00 p.m., central time, Exmark pays for the part and freight.
 4. If the part does not arrive overnight due to the shipper (UPS), the shipper pays for the freight and Exmark pays for the part.

The following restrictions apply -- The Exmark Parts Plus® Program is available only through participating Exmark Dealers and applies only to orders submitted on this program Monday through Thursday. Parts Plus service is available only in the 48 contiguous United States. UPS has initiated a Saturday delivery program to many areas of the continental United States and can be requested for an overnight shipment on Friday to be delivered Saturday. The next day air charge, plus the Saturday delivery fee will be the responsibility of the purchaser. Exmark Mfg. will assume no responsibility for Saturday delivery shipments. To qualify, all Exmark Parts Plus® orders must be received by Exmark by 3:00 p.m., central time. Orders must be six (6) line items or less. Exclusions from the Exmark Parts Plus® Program are: Any wholegood or accessory in its entirety, engines and engine replacement parts, 5-speed Peerless transmissions and 5-speed transaxles, hydraulic or hydrostatic wheel motors, cutter decks and engine decks or any item exceeding United Parcel Service size and weight restrictions.

Due to UPS restrictions, aerosol spray paint is considered a hazardous material and cannot be shipped via UPS next day or Second Day Air.

Exmark Manufacturing stocks a limited supply of parts for transaxles, pumps and wheel motors. These parts can be ordered for Next Day Air shipment but will not be guaranteed per the Parts Plus Program

**READ OPERATOR'S MANUAL BEFORE

- ◆ Use Pro-Lock, Retaining type (Part No. 1-840023), .5cc tube on stud threads going into the tank.
- ◇ Refer to Engine Owner's Manual.
- ▽ Snug fit only on slotted holes, **Do Not Overtighten**, tank must be able to expand.
- ★ Use Prolock, Nut type (Part No. 1-840022), .5ml tube on fuel fitting.
- * Includes tank, cap, fittings, and studs. LH tank also includes fuel gauge.

This exploded view diagram illustrates the assembly of a mechanical device, likely a sprayer or pump. The main components are shown in their relative positions, with dashed lines indicating the assembly path. The parts are numbered as follows:

- 1:** A large, knurled cap or knob.
- 2:** A small, cylindrical component, possibly a seal or O-ring.
- 3:** The main body or housing of the device.
- 4:** A small, cylindrical component, possibly a seal or O-ring.
- 5:** A small, cylindrical component, possibly a seal or O-ring.
- 6:** A small, cylindrical component, possibly a seal or O-ring.
- 7:** A small, cylindrical component, possibly a seal or O-ring.
- 8:** A small, cylindrical component, possibly a seal or O-ring.
- 9:** A small, cylindrical component, possibly a seal or O-ring.
- 10:** A small, cylindrical component, possibly a seal or O-ring.
- 11:** A small, cylindrical component, possibly a seal or O-ring.
- 12:** A small, cylindrical component, possibly a seal or O-ring.
- 13:** A small, cylindrical component, possibly a seal or O-ring.
- 14:** A small, cylindrical component, possibly a seal or O-ring.
- 15:** A long, thin, cylindrical component, possibly a shaft or rod.
- 16:** A long, thin, cylindrical component, possibly a shaft or rod.
- 17:** A small, cylindrical component, possibly a seal or O-ring.
- 18:** A rectangular plate or cover.
- 19:** A small, cylindrical component, possibly a seal or O-ring.
- 20:** A small, cylindrical component, possibly a seal or O-ring.
- 21:** A small, cylindrical component, possibly a seal or O-ring.
- 22:** A small, cylindrical component, possibly a seal or O-ring.
- 23:** A small, cylindrical component, possibly a seal or O-ring.
- 24:** A small, cylindrical component, possibly a seal or O-ring.
- 25:** A long, thin, cylindrical component, possibly a shaft or rod.
- 26:** A small, cylindrical component, possibly a seal or O-ring.
- 27:** A small, cylindrical component, possibly a seal or O-ring.
- 28:** A small, cylindrical component, possibly a seal or O-ring.
- 29:** A small, cylindrical component, possibly a seal or O-ring.
- 30:** A small, cylindrical component, possibly a seal or O-ring.
- 31:** A small, cylindrical component, possibly a seal or O-ring.
- 32:** A small, cylindrical component, possibly a seal or O-ring.
- 33:** A small, cylindrical component, possibly a seal or O-ring.

13 **THROW** 103-4930

14 **WARNING**
TO AVOID INJURY OR DEATH FROM ROLL-OVER PROTECTION WHEN THE ROLL BAR IS DOWN:
Keep roll bar in the raised and locked position and use seat belt.
Do not wear seat belt when the roll bar is down.
Lower the roll bar only when absolutely necessary.
Raise the roll bar as soon as clearance permits.
Read and follow instructions and warnings. 103-5112

15 **4.5 4.0 3.5 3.0 2.5 2.0**

16 **WARNING**
ROTATING MECHANICAL DEVICES CAN CAUSE SERIOUS INJURY!
• Do NOT operate without guards in place.
• Stop engine before opening cover. 103-5081

17 **WARNING**
DO NOT OPERATE WITHOUT DISCHARGE DEFLECTOR. ENTIRE GRASS COLLECTION SYSTEM, OR MULCH KIT IN PLACE. DO NOT REMOVE GRASS CATCHER UNTIL BLADES HAVE STOPPED. 1-303598

21 **ANTI-SCALP ROLLER ADJUSTMENT**
FOR NORMAL OPERATING CONDITIONS, PLACE ROLLERS IN POSITIONS SHOWN FOR 3/4" (19 mm) GROUND CLEARANCE.
CUTTING HEIGHT (INCHES)(mm)
2.0(51)
2.5(64)
3.0(76)
3.5(90)
FOR MAXIMUM FLOTATION ROLLERS MAY BE POSITIONED LOWER, BUT MUST MAINTAIN A MINIMUM OF 1/4" (6.4 mm) GROUND CLEARANCE. NEVER POSITION THE ROLLERS TO SUPPORT THE MOWER DECK. 1408022

22 **WARNING**
Operating on wet grass or steep slopes can cause sliding and loss of control.
• Wheels dropping over edges can cause rollovers, which may result in serious injury, death or drowning.
• To avoid loss of control and possibility of rollover:
- Do NOT operate near drop-offs or near water.
- Do NOT operate on slopes greater than 15°.
- Reduce speed and use extreme caution on slopes.
- Avoid sudden turns or rapid speed changes.
• There is no roll over protection when the roll bar is down.
• Always keep roll bar in the raised and locked position and use seat belt.
• Read and follow rollover protection instructions and warnings. 103-5112

23 **LAZER Z XS**

24 **WARNING**
ROTATING FAN BLADES Can cause serious injury.
• Do NOT operate without guards in place.
• Stop engine before removing guards. 103-7216

26 **WARNING**
To avoid serious injury or death:
• Read and understand the operator's manual before using this machine.
• Do NOT operate unless trained to safely use this machine.
• Do NOT operate under the influence of alcohol or drugs.
• Do NOT operate without shields, guards, and safety devices in place and working.
• Check the function of the operator presence controls (OPC) safety system daily. Do NOT defeat the OPC system.
• Stop engine and remove key before adjusting, servicing or cleaning machine and attachments.
• Hearing protection is recommended. 103-3764

27 **DANGER**
KEEP HANDS AND FEET AWAY 140886

28 **WARNING**
To avoid serious injury or death:
• V-blade blades unless engine and blades are stopped.
To avoid serious injury or death:
• Pick up objects that could be thrown by the blades.
• Do NOT mow when people and pets are in the area.
• Do NOT carry passengers.
• Look behind and to the side before changing directions.
• Before leaving the operator's position:
- Disengage PTO.
- Move drive levers out to neutral position.
- Engage park brake.
- Stop engine. 103-5079

29 **ULTRACUT 60** TM

30 **ULTRACUT 72** TM

31 **WARNING**
Battery contains sulfuric acid. Avoid contact and always shield eyes, face, skin and clothing from battery. Cigarettes, flames or sparks could cause battery to explode. Do not charge or use booster cables or adjust post connections without proper training. In event of an accident flush with water immediately. Keep out of reach of children. 103-9865
