

# High-Torque Transmission Cone, Offset Clutch Band Transmission, and Standard Transmission Cone Kit

**Greensmaster® Flex™ 18/21 Traction Unit**

**Model No. 120-2766**

**Model No. 120-2767**

**Model No. 120-2768**

## Installation Instructions

---

**Note:** Parts may cause discoloration of the transmission fluid.

Toro recommends changing the fluid after 25 hours. Follow normal maintenance procedures after this change.

Refer to the traction unit *Service Manual* for installation instructions.
