Installation

Media and Additional Parts

Description	Qty.	Use
Intake-hood assembly	1	Install the intake-hood assembly.

1. Park the machine on a level service, turn the machine off, and remove the key from the ignition.
2. Remove the existing nuts securing the existing plate (Figure 1).
3. Insert the 2 holes in the side of the intake hood into the existing bolts in the plate (Figure 1).
4. Install the 2 nuts onto the bolts (Figure 1).
