The Dual-Force cutting system and Toro Atomic blades cut grass into a fine mulch for a superior quality of cut and a healthy, lush lawn.

SPIN-STOP™ BLADE STOP SYSTEM

Stops the blade and allows you to briefly step away from the mower, without having to restart the engine.

QUICK STOW STORAGE HANDLE

Two storage positions for easy compact storage.

2 POINT HEIGHT-OF-CUT

Allows you to quickly adjust cutting heights from one side of the mower.

WASHOUT PORT

Attach a hose to the mower deck to easily clean the under side of the deck.
